## 7.

*Dated 20th Isfandar 1341 F.*

As kindly permitted by H.F.M. I am delegating certain powers of disposal of work to Mr. Datar. In view of the conditions of my health and in view of my impending departure on leave and further in view of the fact that I am being flooded with old cases. I prefer to concentrate attention only on really important work.

Usually all cases should go to Mr. Datar from all Seghas, except where the Gazetted Officer in charge considers from the importance of the matter that it must come to me. These cases he can send up to me direct to save time. Also those cases on which H.F.M. marks "F.S. or urgent" should come to me direct. The papers disposed of by Mr. Datar will be supposed to have been disposed of under the authority of F.S. In case of doubt or difficulty, of course, he will send the case on to me, or, what is preferable, bring up.

This office order will apply to the papers that the Seghas send up to me to-day.

It has come to my notice that some of the typed letters are wrongly addressed to Officers and Departments other than the proper ones and these letters often require corrections to be made in ink and sometimes fairs are to be retyped.

In future, the Typist should initial all typed matters invariably and for mistakes the first responsibility will be on the Typist, and the second on the Clerk who compares.

*Dated 2-8-11 F.*

In continuation of the Office Order No. 10 dated 20th Khurdad 1341 Fasli H.F.M. is pleased to order that the following Atiyat cases will be dealt with by the Nazim Daftar-i-Diwani and Mal. etc.,

1. Mansab succession.
2. Yomia succession.
3. Grant of capitalized value of Mansab.
4. Grant of lumpsum compensation of Mansab.
5. Grant of loan on the hypothecation of Mansab.
6. Grant of Pilgrimage leave to Mansabdars with six months' mahawar in advance.
7. Loans to Jagirdars.
8. Miscellaneous questions regarding restoration of resumed jagir etc.

2. The Atiyat Branch will deal with the following :—

1. Donations
2. Grant of non-hereditary Riyat Mahawars.
3. Land compensations.
4. Ecclesiastical Department.

3. Daftar-i-Diwani and Mal, etc., cases will be dealt with by the Accounts Branch dealing with Finance and A.Gs' Offices.

4. As regards the lumpsum commuted value of Mansabs which was hitherto charged as Service Expenditure, it is laid down that it should be a charge on the surpluses of the past years and not on the revenues of the current year, as the charge represents a reduction of service expenditure in future years. This will not affect the surpluses of any year and all that the Nazim Daftar-i-Diwani will have to do is to inform the Accounts Branch, every quarter, of the total amount that has been used up in commutation of mansabs saved.

With regard to Military Re-organisation Committees, Office must take note that the items on the Agenda must be noted upon and discussed in full as if they had come up in the regular way by Guzarish. The Committees are formed with the Finance Member on them with a view to expedite the procedure so that whatever is decided upon in a Committee where there is the Finance Member, it may not require again a reference to Finance unless the Finance Member is absent or unless he has specially asked that the case should come up to him in the regular course. If sufficient data have not been given beforehand or the time which has been allowed is too short for being considered by the Finance Department, the fact should be intimated immediately to the Department concerned so that they might note that the Finance Member will probably not be prepared to give his final opinion on the matter when it comes up.

The above should be circulated to all concerned as an Office Order and these instructions should be carried out with reference to the Agenda of the Military Reorganisation Committee which has been submitted to me with these papers.

*Dated 1-9-41 F.*

I find that there is too much tendency of various departments asking us to issue amounts in anticipation of sanction. No such payments should, on any account, be made without my orders in those cases which require His Exalted Highness' sanction, unless the department and not the Finance Department, obtains atleast Hon'ble the President's sanction to anticipate His Exalted Highness' sanction.

*Dated 27th Amardad 1341 F.*

I find that in certain cases several months have elapsed to put up a Guzarish after H.F.M. has passed orders. This cannot be tolerated. Generally the maximum time that can be given for putting up a Guzarish after H.F.M. has passed orders is 3 days. In lengthy cases, the Gazetted Officers may obtain written permission from F.S. to put up the Guzarish within a week. Whenever the clerks concerned have taken more than a week to put up the Guzarish, the Segha should make an entry of such delays in a notebook in the following form :—

- (1) File No.
- (2) Date of Order.
- (3) Date on which Guzarish was put by Segha.
- (4) Names of clerks who delayed.

Explanation of the clerks concerned should be taken and orders on that recorded, and a copy of such explanation and orders thereon should be put in the personal file of the clerks concerned with a view to record the lack of despatch in work which the clerks have shown so that all such cases could be taken into consideration in giving the clerks concerned grade increment as well as promotion to higher grades.

I have discussed with the Financial Secretary the best arrangements that could be made for the work in the Finance Office and the inspection of the Accountant-General's Office, which has been held over for considerable time, and we both think that the best course will be for the work to be done as heretofore by Mr. Datar in the Finance Office, and for Nawab Fakhr Yar Jung kindly to concentrate himself till such time as he chooses on a thorough inspection and report of the Accountant-General's and allied offices including future arrangements for railway work and audit.

The Financial Secretary will organise his own party of inspection for which of course he will have to draw upon one or more sections of our office or the Audit Office.

Every Segha will continue working during the Moharrum holidays until each one is able to submit a no arrears report so far as all the correspondence and files received up to this day are concerned and they have given me an idea as to the number and nature of the papers received during the holidays up to the day they close.

Even after Seghas close, it will be necessary for Seghas to name representatives who must attend on the following days :—

Thursday the 1st Moharrum.  
 Saturday the 3rd Moharrum.  
 Monday the 5th Moharrum.  
 Thursday the 8th Moharrum, and  
 Sunday the 11th Moharrum.

These representatives will have to come in the morning for some little time, and it is expected that the Gazetted Officers in-charge will also kindly attend, except where with my knowledge an understanding is arrived at that one Gazetted Officer will look after the emergent work of another Gazetted Officer.

As an experimental measure I propose to try the following method for disposal of work. I believe it will be conducive to a good deal of saving of time and will secure expeditious disposal of the work if G. Os. and myself could meet and exchange views before we start threshing the important cases. I request therefore that all G. Os. may kindly bring up on alternate days any important communications that they may have received and which they think it would be useful if I were informed, and also all cases which have to be threshed out with care and in some detail. The object aimed at can be achieved if the G. O. incharge when he kindly brings up a paper to me has beforehand studied the file. We can then discuss and proceed as desirable under the circumstances. It is just possible that visitors may come in or I may have to attend Council or other Committee meetings, in which case I shall try if on the same day or the next I can give another time. During the hot weather I am reserving 9 to 11 for the purpose. The cases of various branches will be taken up as shown in the following :—

*Dated 1st Amerdad 1342 F.*

There are two leave vacancies in the Gazetted ranks Mr. Ansari has applied for about another months' leave and Mr. Syed Aziz has already left on pilgrimage leave. Unless there are special reasons pointing to the necessity of a different course of action, it is desirable to make within segha arrangements during the short term leave vacancies. If Mr. Syed Omar had not been transferred to the Mal Segha Mr. Surya Pertap was eligible for the acting appointment; but now no occasion remains for making acting arrangements in the Segha Mal itself. On the other hand I realise that Mr. Surya Pertap should not be a loser. I am proposing acting arrangements in a manner to ensure the least disturbance. Budget work will now be in full swing and D.F.S. will have to concentrate exclusively on the Budget work. I propose therefore that the acting appointment of Chief Superintendent for the months Amardad, Sherewar and Mehr may be given to Mr. Venkat Bhao Rao and for the remaining nearly three months Mr. Surya Pertap be given an acting appointment. The work he is exactly to do will be settled when he starts getting this

acting allowance. During Mr. Ansari's extension, as Mr. Mahomed Mohsin is available without causing any disturbance he may act for him. I have passed over Mr. Nazir Hussain Siddiqi who officiated last time not because there is anything against him. His work, particularly in the Segha Adalat was excellent. I am putting Mr. Mohsin Siddiqi in because in the absence of H.F.M. he has not much work to do and the the shifting of Mr. Nazir Hussain Siddiqi for the short time that remains will disturb English Branch Work.

The above arrangements may be provisionally enforced subject to any orders that H.F.M. may pass.

1. Mr. S. Jaya Rao, B.A.
2. „, Shaikh Moinuddin, School Final.

Mr. S. Jaya Rao is posted to the Commerce and Industries Segha.

Mr. Shaikh Moinuddin should be shown in the Reserve and posted temporarily to the P.W.D. Segha.

*Dated 19th Sherawar 1342 F.*

Attention of all Seghas is invited to Office Order No. 42 dated 1st Azur 1331 F., particularly with reference to paras. 4 and 5 and Office Order No. 57 dated 7th Farwardi 1331 F., regarding the maintenance of File Pending Register. The Tri-monthly Progress Report should bear a certificate signed by every Siperintendent and the G. O. that the Issue Register has been scanned with a view to see that all safeguards prescribed have been employed to see that timely reminders are issued. The object in insisting on these certificates is that checks devised may be employed to see that nothing is left to chance or to the memory and diligence of the Shakdar. The G. O. and Superintendent must be in a position to know by inspection of the Issue Register and File Pending Registers that they are not at the mercy of the Shakhdar. Failure to comply with Office Orders issued from time to time, particularly with reference to procedure, will involve stoppage of increments of the Superintendents incharge.

*Dated the 16th Aban 1342 F.*

Finance Department Circular No.12 dated the 23rd Sharewar 1337 F. requires the submission of a proposition statement whenever there is any proposal for a revision of establishment. All Branches when dealing with establishment must see that Pensionary charges are also included. The Accountant-General has accordingly been instructed through Finance Office letter No. 4761, dated the 15th Aban 1342 F., to include the Pensionary charges as well, even though the Departments may omit.

(Intd.) V. M. D.

15-10-1342 F.

I wish the clerks in charge of the Progress Reports of the Seghas may better see in what admirable way Reports in the English Branch are kept. I think it is a good idea that the number of undisposed cases should not include cases which are before H.E.P. or in Peshi Mubarak. All seghas may adopt the practice started that they be shown separately in red ink at the end of the Report.

I notice that in some Seghas all the slips are pasted ; all what is required is that the last slip may remain on the Register: previous slips may be destroyed.

(Intd.) F. Y. J.

*Note :—*I beleive the paper will remain in the Accounts Branch and all Seghas will be given a copy for record and guidance.

## OFFICE ORDERS 1343 F.

### 1.

Owing to my illness and owing to my other preoccupations on account of the Viceroy's Reception Committee and the Industrial Trust Fund work, I am afraid at least till the end of next week I shall have very little time to spare for disposing of routine work. As a matter of fact I expect all Assistants to dispose of routine work on their responsibility in accordance with the Office Orders issued already in that behalf. Cases which are not routine and which the G. Os. think are necessary to be submitted may till further orders be submitted to D.F.S. who will dispose of some on his authority and others he will send over to me. The Daily Report will show separately the cases independently decided by the A.S. and D.F.S., also myself. I am returning the undisposed of files which may be treated in accordance with the above Office Order. This week's and the next week's Progress Reports may also be sent to D.F.S. Progress Registers may also be kindly looked into by D.F.S.

### 2.

*Dated the 21st Dai 1343 F.*

I wish every Segha may have a complete note of the (a) agreement that it records and (b) sanction that it gives with reference to payments in excess of budget provision. Each Segha should keep monthly list of items (a) and (b) and communicate them to the Segha Budget. Segha Budget is responsible to obtain from every Segha the above figures and put up to me in a consolidated form. I hope the Seghas will be able to give Azur and Dai figures early in Bahmon.

*Dated 9th Bahman, 1343 F.*

On account of the return of Messrs. Syed Ghiasuddin Shustari and Pritamlal from Training reversions in the following 2nd and 3rd grade S.P.T. appointments previously made under Office Orders Nos. 6, 11, and 19 of 1342 F., will have to be made.

Messrs. Syed Abdul Waheb and Muzaffar Ali Khan the last two S.P.T. 2nd grade are therefore reverted to their substantive 3rd grade appointments and Messrs. Mohd. Abdul Qadir and Syed Chand are brought on the 2nd grades held by the above two, i.e. Mr. Mohd. Abdul Qadir will hold the temporary 2nd grade loans vacancy and Mr. Syed Chand the leave arrangement vice Mr. N. Chari.

The above reversions automatically affect the two junior most S.P.T. 3rd grade clerks, viz., Messrs. S. Jai Rao, B.A. and Sheikh Mohiuddin, School Final. The said two S.P.T. 3rd grades are therefore reverted to probationership. The above reversion will take effect from 7-3-1343 Fasli.

Mr. Sharfuddin Khan who was temporarily lent to Police Department will also be reverted to his 3rd grade appointment in the Finance Office. His reversion will also cause another 3rd grade S.P.T. to revert to probationership. Mr. Syed Mohd. Mehdi who stands junior most will therefore revert. The reversion of Mr. Syed Mohd. Mehdi will have effect from the date Mr. Sharfuddin Khan joins the Finance Office.

Mr. Pritamlal will be attached to the Accounts Branch as before.

*Dated the 18th Farwardi 1343 F.*

When H.F.M. is not out of station we may resort to the original practice of usually returning files only after the reports have been received back. The practice existed that if the reports were not received back within 24 hours it was to be assumed that H.F.M. had agreed and the file could go. The period of 24 hours may better be extended to 48 hours. No deviation from this practice should be allowed unless, of course, in view of the special nature of a case, the F.S. by recorded orders directs to be otherwise.

Orders, which the Finance Department issue on behalf of other Departments on the basis of the Council orders or the Firmans Mubarik, may better be issued after I have seen them. All such files will come up with an urgent slip so that they may not be overlooked in the rush of the work.

*4th Ardibehisht 1343 F.*

I think it would be preferable to split up the daily reports of disposal of cases into two separate sections-cases disposed of with my knowledge and permission will be reported in one section and the second section will be for the cases disposed of by the Assistant Secretary. My object in doing so is to obviate possibilities of delay of urgent reports going up to H.F.M. if I have to detain a report about routine cases disposed of by an Assistant Secretary.

(Sd.) FAKHR YAR JUNG.

15.

I beg to invite attention of all the Gazetted Officers to the Office Orders that have been issued that cases which require no guidance or special instructions and which are not of sufficient importance should be disposed of by the Assistant Secretary themselves and mentioned in the daily report about the cases disposed of. These files should not come to me until actually sent for after seeing the report.

As discussed in the Committee, the arrangements proposed by Mr. Taraporwala paras 1-4 may be approved.

As regards the general principle, the previous decision regarding officiating arrangements vice Assistant proceeding on leave, being made in the segha concerned, may stand. But in cases when a Superintendent of another segha is made to officiate and is shifted to the segha where the vacancy has occurred, then the officiating arrangements will be made in the segha sparing the Superintendent to officiate in another one.

It is often noticed that the names of gentlemen are spelt wrongly. As for example, Nawab Aqeel Jung Bahadur's name was spelt as 'Akheel' whereas the Nawab Sahib spells it as 'Aqeel'. The name should, therefore, be spelt in the way in which the gentleman writes himself in English, or if this is not known, the transcription should be on the Hunterian System.

Office Order No. 2 dated 21-2-43 F. required each Segha to keep monthly lists of the agreement that it records and sanction that it gives with reference to payments in excess of Budget provision and communicate them to the Budget Segha. But this was not done so far by most of the Seghas in spite of their having been reminded. However now all Seghas should kindly do this from the beginning of this year and send the lists for Azur and Dai 1344 F. to the Budget Segha within a week. Thereafter the lists should invariably reach the Budget Segha by 3rd of each month so that a consolidated statement may be put up to F.S. by the 5th. Even if no sanction has been given or any commitment made by any Segha during any month a nil statement alone must necessarily be sent to the Budget Segha. The form in which the register will be maintained by all Seghas and the monthly lists will be sent to the Budget Segha, is herewith attached.

I wish all the Seghas could make it a point to observe the practice which is invariably followed by the English Branch and Railway Branch. Whenever a letter is received or a letter is issued, they put down in the margin the pages of the file where the correspondence referred to in these letters exists. This saves a good deal of time and gives the clue to the necessary correspondence without the necessity of going through lengthy notes.

In view of the difficulty experienced in the recent budget discussion it is put down for guidance of all Finance Office Seghas, that usually they should not agree to a Scheme unless the Department concerned definitely points out provision. G. Os. and superintendents will please bear in mind that they have a reputation to maintain and prevent the impression that things may be found in a state of drift, in the F.D. for undue detention of cases the Superintendent of a Segha is primarily responsible and may be sternly held to account. It is the duty of a G.O. to see that the Superintendent performs his duties of general control in an adequate manner and must exert pressure if cases of slackness come to his notice. Further he may find it a good incentive to guide work if he gives verbal instructions when he feels they will be useful. This case was not of the type which should have attracted personal attention of A.S.

This note may be circulated for information to all Seghas.
